

The Path of Shamanic Mystery: the Forest Spiral

Presented by: Reid Hart

Eugene, Oregon

2019-20 Offerings

With these eight experiential workshops, walk a personal spiritual path from 40,000 year-old shamanic practice through Celtic, Nordic, Faery and Druidic ways to the modern Western Mysteries. We all long for a deeper connection to our ancestors, spirits of place and the cosmos. Receive powerful gateway initiations into mysteries of the earth and otherworld.

The Forest Spiral includes four workshops that focus on fundamental truths from the shamanic perspective. We work with the earth in the role of Forest Shaman with a Celtic and Nordic orientation. Important elements of shamanic practice are included, such as ancestor work, power places, the Faery connection, Rune power, elemental powers, Druidry, and natural magical methods.

Each workshop can be taken independently.

The Ancestors and Power Places. (Sept 7-8 '19)

Connect with the Guardians and powers of nature and your own birth destiny. Become truly native in your place. Raise earth power to energize body and soul. Honor your ancestors and clear ancestral blood lines.

The Faery and Weavers of Fate. (Nov 16-17 '19)

Connect with the faery of the otherworld. Meet the weaver who initiates you into the mystery of the warp and weft of fate. Work at the crossroads with Life, Luck, Love, and Destiny.

Rune Power & Seith. (Feb 8-9 '20)

Visit the well of memory and encounter the spirit of the Runes in a sacred grove. Climb the high-seat and engage Seith (*seiðr* or truth telling). Harness the power of rune magic for divination and transformation. Ongoing Seith evenings will offer answers from the high seat with those trained in this workshop.

Merlin's Temple and the Sacred Grove. (April 25-26 '20)

Work with Druidic and Celtic traditions to receive wisdom and growth. Initiate into Merlin's Temple. Engage power and vitality through the Celtic cauldron tradition and shape shifting. Achieve transformation in the Druid's Grove.
