

The Path of Shamanic Mystery:
**TAROT SPIRITS:
HEALERS & ADVISORS**

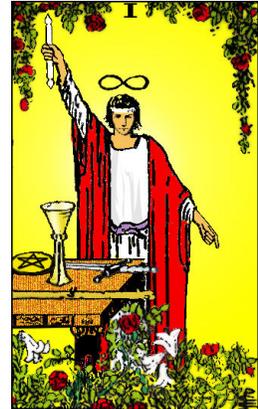

January 13-14, 2018 Eugene OR

presented by **Reid Hart**

10 am-5 pm Saturday & 10 am-4 pm Sunday

Imagine having 22 powerful advisors to help you achieve your life purpose. The Tarot major arcana hold deep meaning for the human psyche. Engage with them face-to-face as living Spirits—rather than study them as archetypes. In this experiential workshop we will:

- Connect with a special Tarot Spirit guide
- Use the shamanic journey and ancient mystery tradition access methods
- Work with sacred planetary powers
- Create personal and planetary transformation

What past students are saying about the workshop:

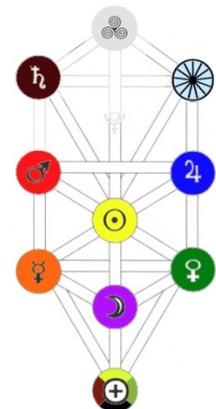

"The combination of shamanic work with Tarot Spirits was very powerful and opened a doorway to reinvigorate my Tarot practice. The workshop helped me feel a deeper connection to Tarot spiritual guidance."

- Aruna Beth Miriam Rose, MA Rose Lotus Healing Arts

This experiential workshop is part of the *Path of Shamanic Mystery* series that traces a directly inspired spiritual path from 40,000 year old shamanic practices to the Western Mysteries, including Tarot, Astrology, Planetary Powers, the elements, and the Qabalah Receive gateway Faery, Celtic, Nordic, and Druidic initiations to make practical life change. Workshops may be taken in any order.
